

## 2009 L'Angevin Chardonnay Russian River Valley

Our ninth offering of the Russian River Chardonnay is a very expressive wine. Fresh notes of ripe citrus, baked pear and apple, along with floral notes of honey-suckle are upfront, with background highlights of toasted hazelnuts. While it maintains its classic Russian River acidity, this is one of the most palate satisfying and elegant Russian River Chardonnays L'Angevin has made.

### Production Notes
