

# L'Angevin

## WINEMAKER NOTES

In 2001 we established the attributes of our Russian River Valley Chardonnay in producing a wine which exhibits perfumed hints of jasmine and citrus as well as notes of Asian pear, dried pineapple and toasty vanilla. We have improved upon this style over the subsequent vintages increasing the expression of minerality and overall concentration. The 2006 vintage continues in this tradition offering beautiful fruit character balanced by a delicate acidity.
